(c) to (e) A Committee under the Chairmanship of Shri Javed Choudhury former Secretary (Health), Government of India was constituted in September, 2005 to (i) look into the circumstances leading to the increasing trend of Government doctors including doctors from AIIMS and PGIMER, Chandigarh seeking VRS/ Resignation; (ii) identify the speciality/super-speciality streams that have become more vulnerable to this attrition, alongwith reasons therefor; (iii) suggest further incentives including changes in the terms and conditions of service, conditions for further training etc. to retain them in Government; and (iv) suggest measures/disincentives to arrest the further outflow of doctors from Government. The Committee has since submitted its reports. The Committee has made a number of recommendations notably for removal of stagnation of SAG level by grant of *in-situ* promotion, enhancement of retirement age to 62 years, extending additional benefits of five years service over and above that is already admissible, increase in financial assistance for attending international conferences, increase in Book/research/ Academic allowance, enhancement of Non Practicing Allowance (NPA) etc. The Government has also announced the setting up of the Sixth Pay Commission.

(f) The information is given in the Statement.

Statement

Details of amount allocated and utilized in hospitals for infrastructure Development

(Rs. in crores)

Name of the Hospital	Budget Estimate 2005-06 (Plan)	Expenditure 2005-06 (Plan)
Dr. R.M.L. Hospital	31.80	23.73
Safdarjung Hospital	84.30	79.61
Lady Harding Medical College & Associated Hospitals	28.66	23.48

Benefits to patients from telemedicine

2347. MS. MABEL REBELLO: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) the number of districts/cities where telemedicine is being practiced in India;

(b) the number of patients benefited from it, so far; and

(c) the number of medical institutions who have adopted the telemedicine practice and name some of the prominent ones?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRIMATI PANABAKA LAKSHMI): (a) Under DIT sponsored pilot projects 29 districts/cities have been provided with telemedicine facilities.

(b) About 13,800 patients have benefited so far from the pilot Telemedicine Project supported by Department of Information Technology.

(c) Twelve medical institutions (including 5 medical institutes and 7 medical colleges) have been provided telemedicine facilities with DIT support. These include prominent institutions like All lndia Institute of Medical Sciences, New Delhi, Sanjay Gandhi Post Graduate Institute of Medical Sciences, Lucknow and Postgraduate Institute of Medical Education, Chandigarh. Details are given in the enclosed Statement.

Statement

ISRO's Telemedicine Network Established as on 31.07.2006

- Total No. of hospitals-176 Hospitals
- No. of Remote/Rural/District Hospitals/Health Centres—142 (Including 5 Mobile Units)
- No. of Speciality hospitals—34

Andhra Pradesh—3 hospitals: Aragonda (Chittoor Distt.), Sriharikota and Hyderabad MNJ (Onconet).

A & N Islands—4 hospitals: Port Blair-1, Car Nicobar, Kamorta and Campbell Bay.

Bihar—1 hospital: Ruxol (CMC Network)

W. Bengal—6 hospitals: Kolkata-3, Krishnanagar (Nadia), Malda, Balurghat (West Dinachpur)

Chhattisgarh—16 hospitals: Raipur, Jagadalpur, Marwahi, Durg, Rajnandgaon, Dhamtari, Kankar, Korba, Bilaspur, Raigarh, Jangir, Baikunthpur, Ambikapur, Jashpur, Kawardha, Mahasamund.

Gujarat—1 hospital: Ahmedabad (Onconet)

Himachal Pradesh—1 hospital: Kulu (CMC Network).

Haryana—2 hospitals-Gohana and Sonepat

Jharkhand—1 hospital: Ranchi

Jammu & Kashmir—12 hospitals: Srinagar-2 hospitals (SKIMS & GMC), Leh (Ladakh), Katwa, Jammu, Kupwara, Kargil, Doda, Poonch, Zanskar, Uri, Tangdhar.

Karnataka—25 hospitals: Bangalore-9 hospitals (NH, NIMHANS, St. Johns, Bowring, BMC, VITM, SN, VIIO, Samatvam) and 2 Mobile hospitals (VIIO & SN), Mysore, Chamarajanagar, Sargur, Maddur, Sagar, Chitradurga, Mandya, Tumkur, Sirsi, Karwar, Gadag, Bagalkot, Yadgir, Batgeri (CMC Network).

Kerala—26 hospitals: Trivandrum-3 hospitals (TMC, RCC, SCTIMS), Kochi-1 hospital and 1 Mobile hospital (AIMS), Pathanamthitta, Pampa, Kottayam, Kozhikode, Pariyaram, Trichur, Alleppey, Mananthavady, Manjeri, Attappady, Palakad-2 hospitals, Idduki, Ernakulam-2 hospitals, Kollam-2 hospitals, Kannur-2 hospitals, Kanhangad, Kozhencherry.

Lakshadweep Island—5 hospitals: Kavaratti, Agati, Amini, Minicoy, Androte Islands.

Madhya Pradesh—1 hospital: Gwalior (Onconet).

Maharashtra—4 hospitals: Mumbai (TMC), Chiplun (Ratnagiri), Nagpur, Jalna (CMC Network).

NE States—19 hospitals:

Assam—4 hospitals Guwahati-2 and Jorhat, Bazzerechara (CMC Network)

Sikkim—1 hospital Gangtok

Manipur-2 hospitals Imphal and Timenglong

Arunachal Pradesh-4 hospitals Itanagar, Nahariagun, Tawang & Pasighat

Nagaland-2 hospitals Mokokchung and Kohima

Meghalaya-1 hospital Shillong

Mizoram -4 hospitals Aizawl, lunglei, saifa, Champai

Tripura-1 hospital Udaipur.

New Delhi—4 hospitals- AIIMS, Apollo, Fortis, Sir Ganga Ram

Orissa—3 Medical college hospitals: Cuttack, Burla and Behrampur.

Punjab—4 hospitals: Chandigarh (PGIMER), Dausya (Hoshiarpur), Ajnala (Amritsar), Patiala.

Rajasthan—6 hospitals: Jalawar (Kota), Jaipur, Alwar, Bharatpur, Ajmer, Udaipur.

Tamil Nadu—12 hospitals: Chennai-3 (Apollo, SRMC & SN) and 1 mobile, Madurai-4 (2 hospitals and 2 mobile), Theni-1, Coimbatore-2 with mobile, CMC-Vellore.

Uttar Pradesh—3 hospitals: Lucknow, Shahjahanpur, Munshirganj (Sultanpur distt.)

Others—12 hospitals for Armed Forces

Army-6-New Delhi (R&R), Srinagar, Udhampur, Leh, Kargil, Partapur.

Air Force—5-Bangalore (Command Hospital), Halwara, Nalia, Jorhat, Jai Salmer.

Navy—1—Port Blair—Andamans (INHS Dhanavantri) Note: The city/ town's name in Bold are the one newly added during May-July'06.

Telemedicine facility at AIIMS, New Delhi.

Telemedicine was started in AIIMS, New Delhi since November, 2002 and since then many teleconsultations have taken place. More than 20 Continuing Medical Education Sessions have also been conducted through teleconferencing.

On July 5th 2005, on line video conferencing consultations facility was started by linking AIIMS with its Comprehensive Rural Health Services (CRHS) centre in Ballabhgarh, Haryana. This facility caters to the needs of rural masses in the district of Faridabad and also enables doctors at AIIMS to assist physicians at the two Primary health centres in the villages of Jhansa and Dayalpur.

Facility at AIIMS has links to more than 80 remote locations in the country. It has been giving teleconsultations to remote locations in the specialized areas like Cardiac Radiology, Neuro—Radiology, Cardiology, Neurology, Paediatrics, Endocrinology, Urology, Neonatology etc.
